

# WHOLEHEARTED PROTECTION

*Simparica* **TRIO**®

Broad-spectrum parasite protection  
without compromise

# SIMPARICA TRIO<sup>®</sup> MAKES IT EASY TO PROTECT AGAINST WHAT IS IMPORTANT

**Simparica TRIO combines 3 trusted ingredients for safe and reliable protection from 5 species of ticks, fleas, heartworm disease, and gastrointestinal parasites\***

\*For the treatment and control of roundworm (immature adult and adult *Toxocara canis* and adult *Toxascaris leonina*) and adult hookworm (*Ancylostoma caninum* and *Uncinaria stenocephala*) infections.

# ONE TASTY CHEW TO TREAT THEM ALL

**Broad-spectrum parasite protection for adult dogs and puppies 8 weeks of age and older**

It only takes one flea to infest your pets and your home. They carry diseases, cause skin problems and multiply fast!

**Simparica TRIO kills fleas fast, before they can lay eggs.**

Ticks can transmit many diseases to your dog. Killing ticks quickly can help reduce the likelihood of transmitting tick-borne diseases.

**Simparica TRIO kills 5 species of ticks, including the deer tick that can transmit Lyme disease, and the Brown Dog tick that can infest your home.**

Just one bite from an infected mosquito can lead to potentially fatal heartworm disease

**Simparica TRIO administered during the heartworm season demonstrated 100% protection from heartworm disease.**

Puppies can be infected with GI parasites at birth, and adult dogs can pick up worm eggs or larvae in the environment

**Simparica TRIO provides proven protection from roundworms and hookworms.**
